who we are

# who we are

A staking validator and relaying provider. We develop around the Cosmos and beyond. We maintain the highest standards for security, performance, and providing the most accurate data to our community. We build for decentralization until it comes.

# BRO& &BRO

Bro\_n\_Bro foundation has come to light at early 2021 as a Validator for Cosmos Ecosystem. Some time after we started relaying and expanding other services to networks and projects.  
Our mission is to support and develop a decentralized world.  
**#ToTheMoon**

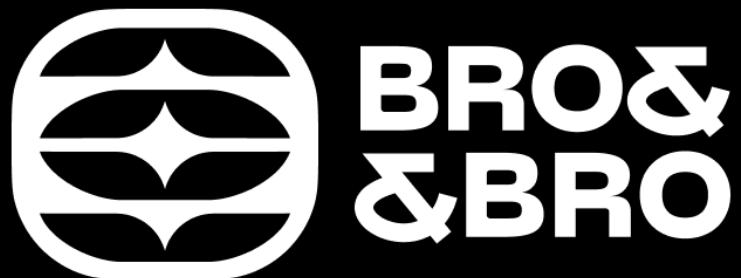

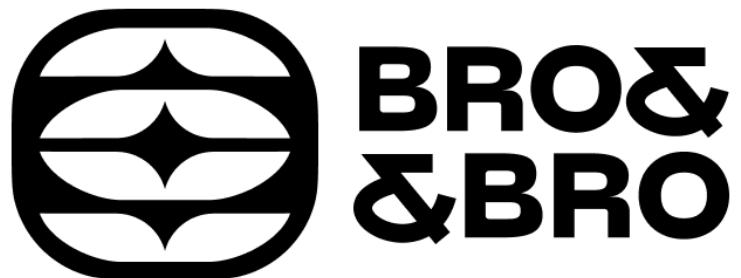

by hands of free people

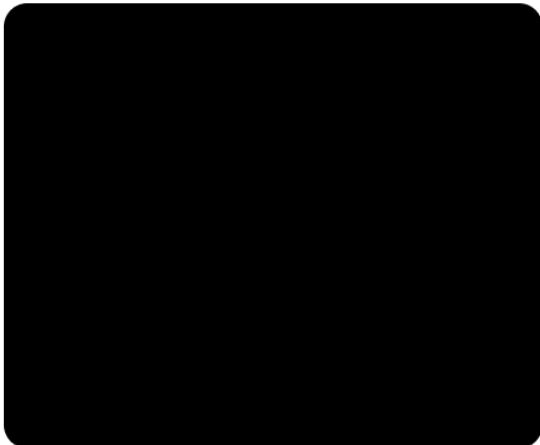

Our mission is to support and develop a decentralized world.
